Into College.—A meeting of the Alumni of this institution was held a few nights since in New York city in honor of the venerable President Nott, now on a visit to the metropolis, and for the further purpose of taking steps toward the erection of a Graduate's Hall on the College grounds in Schenectady, with a view of promoting a closer intercourse among the Alumni of the College generally. We have yet seen no account of the proceedings but the single powers.

The services of I nion College to the cause of sound learning have been manifold and fruitful. Among its graduates are many of the first intellects of the country, and its illustrious President is an ornament not only to the country but to human nature itself. Probably the head of no other College in the world is regarded with such exalted pride and devotion by his Alumni as the silver-hamed and silver-tongued panegyrist of Hamilton. Certainly none could be more worthy of such lofty and admiring humane. In character and graphic and admiring homage. In character and genius Dr. Nott has towered amongst the choicest spirits of

Extensive Foregames in Pixe. We learn from the Worsaw papers that N. N. Olin, of Pike, has failed for a lorge sum, and that forgeries to the amount of gibt,000 have been discovered. He was regorded as a man of integrity, and the discovery of his rascality created almost a panic. The Warsam Mirror says: The recent failure of Mr. (Hin, of Pike, is the most astomding that ever occurred in this section of country. As compared with the means the rapital in their possession and the amount of business they were doing, this exceeds the forgeries of Schuyler and Huntington. He amount of his forgeries is anknown, but it is scores of thousands of dollars, at least. His affairs have been embarrassed for a series of years.
